Not at this time!

TITLE II SURVEY

August 18, 2000

Institution Name

Friends University

Please answer the following questions to the best of your knowledge. Our department needs to identify each institution's comfort level and understanding of the Federal Reporting Guidelines.

1. Is the definition of "program completer" clear? Do you still have concerns about who will or will not be included on your "program completer" list?

I believe we're clear. (We require passing of TPST prior to student teaching, but we do make exceptions that allow students to be degree'd without passing. Are these not listed as completers until they pass?)

2. What person will be responsible for getting the ETS required data to Beth by the October 12, 2000 deadline? What is the best way to contact this person?

*Pat Penn - e-mail ppenn@friends.edu
phone 316-295-5825*

3. What supplemental information do you anticipate including in your report?

I need to be more familiar with this to determine requirements for this - suggestions in group today seemed like a good beginning.

4. Do you want us to schedule another meeting after ETS returns data to readdress the Institutional Report due April, 2001? If so, when?

If the report from ETS is clear enough, this may not be necessary, but right after we receive info. if necessary.

5. Does your institution need individual follow-up to discuss topics covered at this meeting or ETS guidelines?

Not yet - but I have the number to call!

TITLE II SURVEY
